

Linked2Brands Vietnam is part of the Linked2Brands global, a global premedia agency headquartered in Germany with 25+ years of experience.
As a trusted prepress partner for leading F&B and consumer goods brands, we make packaging look perfect – from design to final print file, on the shelf and online.

For Linked2Brands Vietnam we are looking for a full-time position in China (hybrid)

CLIENT SERVICE *(all)*

Your Tasks:

- Main point of contact for our clients in China
- Briefing intake and coordination of packaging artwork projects
- Close collaboration with our production team in Vietnam
- Planning and tracking timelines and deliverables
- Reviewing artwork and print files for completeness and accuracy
- Communication with internal and external partners

Your Profile:

- Min. 2 years of experience in design-to-print (printing, packaging or color quality management)
- Working knowledge of Adobe Illustrator, Photoshop and Acrobat
- Strong project and time management skills
- Effective communication with clients as well as internal and external partners
- Fluent Chinese and English, written and spoken
- Chinese national or local resident in China

Your Benefits:

- Working directly with global FMCG brands and international stakeholders
- Large-scale packaging and print projects across multiple markets
- Dynamic, international team with professional and supportive colleagues
- Salary negotiable based on your skills and experience
- Full equipment provided for your work
- Based in China with a hybrid working arrangement (Monday to Friday)

We sincerely look forward to getting to know you!
