

Linked2Brands Vietnam is part of the Linked2Brands global, a global premedia agency headquartered in Germany with 25+ years of experience.
As a trusted prepress partner for leading F&B and consumer goods brands, we make packaging look perfect – from design to final print file, on the shelf and online.

For Linked2Brands Vietnam we are looking for a full-time position at our client's site in Shanghai, China

PRINT PRODUCTION MANAGER *(all)*

Your Tasks:

- Managing print production for packaging projects of global FMCG brands
- Ensuring color quality and print consistency across gravure, offset and flexo
- Color measurement and approval using spectrophotometers (CIELAB / Delta E)
- Coordinating artwork and print files via ESKO WebCenter
- Close collaboration with printers, clients and internal teams
- Main point of contact for stakeholders onsite at our client in Shanghai

Your Profile:

- Min. 5 years of experience in design-to-print (printing, packaging or color quality management)
- Expertise in gravure, offset and flexography as well as color separation
- Strong knowledge of packaging components (labels, folding cartons, flexible packaging)
- Solid color know-how (lightness, chroma, hue, Delta CIELAB) & confident use of spectrophotometers
- Proficient in Adobe Illustrator, Photoshop, Acrobat and ESKO WebCenter
- Fluent Chinese and English, written and spoken
- Excellent communication and negotiation skills with a results-driven mindset
- Chinese national or local resident, able to work onsite in Shanghai

Your Benefits:

- Working directly with global FMCG brands and international stakeholders
- Large-scale packaging and print projects across multiple markets
- Dynamic, international team with professional and supportive colleagues
- Salary negotiable based on your skills and experience
- Full equipment provided for your work

We sincerely look forward to getting to know you!
