

Linked

We are a production agency that guarantees its customers the exact and consistent presentation of their brand – comprehensively and worldwide.

We link brands and consumers – directly at the key point in the brand process – at the point of sale.

For our Linked2Brands agency in Kippenheim we are looking for

MEDIA DESIGNER ARTWORKER PACKAGING M/W/D FULL-TIME

Your tasks

You will be responsible for the creation and modification of artwork and reproduction for the brands of our international customers and their packaging in the food and non-food sector. Working as a member of the client service team, you will help ensure consistent brand presentation at the point of sale.

Your background

As an experienced artworker, you are familiar with Adobe Creative Cloud (Illustrator, Photoshop, Acrobat), working with these tools on a daily basis. Your experience in the packaging industry and expertise in the various printing processes for packaging make you a perfect fit for our team. Flexibility and commitment are second nature to you.

Our offer

Our modern working environment is based on a friendly family atmosphere. Flexible working hours and 30 days holiday allow for a good work/life balance. A company pension scheme, bike leasing programme and fitness studio membership are also part of the package.

We look forward to receiving your application via email at
